

Annual Program Fund
 Congregational Gifts of Generosity

Member congregations support the Unitarian Universalist movement financially by contributing to the Annual Program Fund (APF). In fiscal year 2002-2003, congregations contributed over \$5.7 million, 4.2% more than in the preceding fiscal year. This generosity enabled the Association to provide a richness of services, programs and resources to our member congregations, foster the growth of Unitarian Universalism, and give public voice to UU principles.

REPORT ON GIVING 2002-2003

HONOR SOCIETIES
gave their full Fair Share to the Association. We are most grateful to these congregations for making support of the larger movement a priority.

Note: Congregations preceded by a plus sign (+) are also Merit Societies. Those preceded by an asterisk (*) contributed \$100 or more above their minimum Fair Share.
