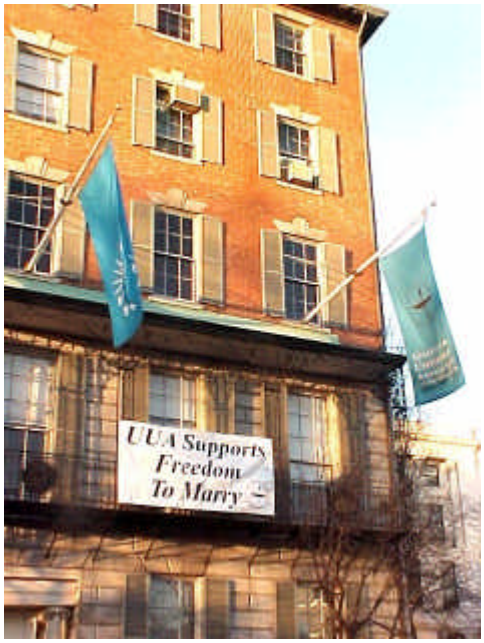
The Unitarian Universalist Association of Congregations is pleased to announce the

President's Freedom to Marry Fund

For nationwide public witness and social justice work in support of same-sex marriage.



"Unitarian Universalism calls us to fight for the civil and religious rights of bisexual, gay, lesbian, and transgender people, and this new fund allows us to fully participate in the public debate in favor of civil marriage as a civil right."

The Rev. William G. Sinkford, President, Unitarian Universalist Association of Congregations
