

For DREs / Youth Coordinator or YA Coordinator:

BRIDGE CONNECTIONS

A program of the UUA Office of
Young Adult and Campus Ministry

Bridge Connections are gifts for each UU youth turning 18 or graduating from high school in 2005, intended to help keep them connected to Unitarian Universalism as they become adults. These gifts, which have a retail value of \$60, are available for UUA and CUC member congregations for only \$5 each.

EACH CONNECTION PACK CONTAINS:

- A copy of a wonderful collection of meditations published by the UUA, suitable for a personal message of congratulations from the congregation;
- A postage-paid reply card entitling each "bridger" to one free year of *UUWorld* and *Quest* (the newsletter of the Church of the Larger Fellowship), as well as the Canadian Unitarian Council's quarterly magazine for those who live in Canada, and a subscription to our monthly electronic Young Adult news; and
- A directory of UU Campus Ministry groups

Bridging Cards, which have been sent with the packets in previous years, can be purchased from the UUA Bookstore. These wonderful cards allow your congregation to introduce your youngest adults to local congregations if they're moving out of your area.
