DISTRICT YOUTH CONSULTATION

Who Should Go?

- Youth involved at the district level
- Youth involved only in their congregations
- Religious educators
- Ministers
- Youth advisors
- District leaders, Board
- Congregational leaders
- District Staff
- Parents

What is it?

This gathering of youth and adults is an opportunity to learn what youth and congregations in our district have reported in surveys and congregational conversations, and to explore opportunities for stronger ministry with our diverse youth community. Participants will discuss what our district is doing well and could share with the rest of the Association, explore additional opportunities for youth, identify resources needed to move forward, and commit to action.
